

See Something, Send Something

Offered by the Georgia Emergency Management Agency/Homeland Security, the app enables students, parents, and the community to anonymously report student tips about weapons, drugs, bullying, mental health concerns, and/or other school safety concerns 24/7 and is monitored by trained emergency professionals.

Please download the free app on your cell phone to remind you to always be aware of your surroundings, and so the app is readily available if needed. Here is a link for more information and to access the free mobile app download: **Georgia Emergency Management and Homeland Security Agency**

NOTE: This incident reporting system is NOT intended for emergency situations. For situations requiring an immediate response, call 9-1-1.
